Backed by 23+ years of experience

When it comes to supporting enterprise-level businesses, experience isn't optional—it's the differentiator. For more than two decades, we've helped companies navigate growth, expansion, and constant operational change. We understand the pressures on modern real estate teams, and we build flexible workspace solutions that move with you—whether you're entering new markets, supporting hybrid teams, or scaling at speed.

Our track record comes from doing the fundamentals right: consistent service, reliable delivery, intentional design, and in-house operations that keep accountability tight.

Because at the enterprise level, you're not just choosing space—you're choosing a partner you can trust.

SOLUTIONS

Why your *workspace partner* matters

Adapt and scale with ease

Whether you're exploring new markets, supporting a remote workforce, or downsizing your space, our corporate plans are designed to seamlessly adapt and scale with your evolving business needs.

Attract and retain top talent

Provide your team with convenient access to fully equipped, fully serviced office spaces, no matter their location. Our premium workspaces meet the demands of the modern workforce, enhancing productivity and collaboration while allowing employees to work closer to home.

Rely on dedicated support

Benefit from personalized assistance and guidance every step of the way with a dedicated accounts team. We handle coordination with centers on your behalf, ensuring you receive the resources you need without hassle.

Choose flexible and GAAP-compliant solutions

From swing spaces to long-term homes, our flexible office solutions are GAAP-compliant and available for terms ranging from 1 month to 3 years, offering you the versatility you need.

WORKING WITH PREMIER

From One Person to Custom Solutions

The Partnership

Premier Workspaces supports enterprise clients at every scale—from placing a single employee in a private office to coordinating multi-suite, fully customized environments for larger teams. Our national network and consistent standards give organizations a reliable partner they can plug into immediately.

The Business Need

Distributed teams require options: some employees need individual offices, others need collaborative team suites, and larger groups require purpose-built layouts that align with workflow and culture. Enterprises need all of these solutions delivered quickly, consistently, and without long-term lease commitments.

Our Approach

We offer a unified program that makes workspace simple across the full spectrum of needs. Individual employees

receive turnkey, fully serviced offices; growing teams gain access to flexible, scalable suites; and larger groups can leverage custom configurations, expanded footprints, and tailored workspace planning—all supported by a dedicated corporate account team.

What This Delivers

- Fast placement for individuals and remote employees
- Scalable workspace for teams that are growing or shifting
- Custom layouts and multi-office solutions for larger groups
- Centralized billing and standardized terms
- Consistent service, hospitality, and operational support everywhere

ABOUT THE ON-SITE EXPERIENCE

Locations that *elevate* their workday

Hospitality-led environments

Our centers feature workdays that begin with a warm-welcome at the front desk. We uniquely offer a professional, comfortable, and full-supported setting - never chaotic or impersonal. Always ready for work.

Modern, private spaces

Offices that are designed with upgraded furniture, soft tones, and solid walls that deliver a sense of privacy that brings out the best work - isolated from noise and distraction - and all of it can be customized to meet your needs.

Technology that just works

Reliable internet, equipped meeting rooms, and the ability to scale with our investment in on-site IT/communications technology.

Amenities that support

Coffee, meeting rooms, comfortable common areas, and support services that make work feel easier. We also offer locations with fitness facilities and other premium amenities - just ask!

Looking *ahead*

We appreciate the opportunity to introduce our workspace solutions and share how we support growing and distributed teams. We'd love to learn more about your needs and explore how we can partner with you. When you're ready, our team is standing by to assist with next steps. We look forward to meeting with you.
